**OFFICE OF LEGISLATIVE COUNSEL**

**Tuesday - 25 June 1963**

1. [redacted] John Newhouse, staff of Senate Foreign Relations Committee, telephoned in connection with the recent release on 18 June of Volume 2 of the staff studies "Problems and Trends in the Atlantic Pact." He inquired if we could assist him in procuring any press reaction in Europe to this study. He mentioned particularly French, German, Italian, Britain, and Swiss press. [redacted] [redacted] been requested to check this and they will advise.

[redacted]

2. [redacted] Met with Sam Archibald to ascertain if there were any follow-up actions as a result of the visit of the Mass Subcommittee to the Agency. Mr. Archibald stated that they were well satisfied with the information they had received and indicating it had cleared up many points. He said the Chairman was truly appreciative of our assistance and that we were out of the picture on this particular matter as far as they were concerned.

4. [redacted] Also talked with Sam Archibald concerning the polygraph questionnaire. It was agreed that we would discuss with them in the next few days a proposed response to the Committee.

5. [redacted] Talked with Russ Blandford, the staff man of Subcommittee No. 1 of House Armed Services Committee which will handle our retirement bill. I showed him our prepared statement which will be made available to the Committee members. He inquired what would be available on an unclassified basis for a report and I indicated we planned to sanitize the classified statement. He asked could he have this as soon as possible and I agreed to prepare it.
